

Century Moving Can Move You Safely, Efficiently, and NOW

For 45 years, we've been an essential business and Chicagoland's trusted mover, with an unwavering commitment to our workers and our customers.

We are taking special precautions during this pandemic to continue serving customers. Our staff is functioning offsite and we've committed to keeping our movers healthy and on the job:

- ◆ Remote or in-home estimates
- ◆ Employee temperatures screened prior to dispatch
- ◆ All movers wear masks and gloves

- ◆ Truck cabs disinfected daily and limited to two passengers
- ◆ Employees updated regularly on safety recommendations, regulations, and industry best practices

MOVE SAFELY NOW! IN-HOME OR VIRTUAL ESTIMATES!

Top 10 things YOU Can Do for a Safer Move

BEFORE AND DURING THE MOVE

1. Make sure you are COMPLETELY FINISHED with packing prior to mover arrival .
2. Wear gloves and face masks to protect yourself and our movers.
3. Have no more than two essential family members onsite during the move.
4. Clear your house of anyone non-essential (relatives, friends, servicemen).
5. Determine a safe space for children at the house and empty that room first or last.

AFTER THE MOVE

6. Disinfect each room before you begin to unpack.
7. Disinfect touchpoints in common areas like light switches, door handles, stair railings, blind handles and rods.
8. Disinfect furniture before use.
9. Disinfect children's area first so they immediately have a safe space.
10. When boxes are unpacked, disinfect floors.
